Dear Brent,

Congratulations! The Surety Information Office (SIO) is proud to inform the Rocky Mountain Surety Association that the organization has been selected to receive the Gold Award for its efforts to promote the use of contract surety bonds in construction. The awards will be presented at both the National Association of Surety Bond Producers (NASBP) and The Surety & Fidelity Association of America's (SFAA) annual meetings.

On behalf of the SFAA, I would like to take a moment to congratulate The Rocky Mountain Surety Association on receiving the Gold Award from the SIO and personally to invite up to three (3) representatives to attend the SFAA One-Hundred and Ninth Annual Meeting on May 9-11, 2017 at The Watergate Hotel in Washington, DC. In addition to the traditional business items and other presentations, the 2017 program will include the SIO Awards Presentation on May 11 and recognition of all LSA presidents and representatives attending the meeting.

All LSA presidents and awards recipients also are invited to attend the Government Affairs Advisory Committee meeting, Capitol Hill Visits, the SFAA Reception and Dinner on Wednesday, as well as the General Session and Luncheon on Thursday. This is a great opportunity for you to participate in the lobbying efforts of the Association and a chance to speak with the leaders of the industry.

The following links are the [Schedule of Events](#), as well as a link to the [registration website for the annual meeting](#). Be sure to register only for the events you will be attending.

If you have any questions, please contact our Communications Manager, Bryan Surcouf, at (202) 778-3629 or bsurcouf@surety.org.

We look forward to seeing you in Washington.

Lynn M. Schubert
President
